# Graphic displays

For striking, eye-catching visuals in your reception, bar restaurant, or at the gym and pool, look no further than txframe tension fabric display system.

Wall mounted, free standing or ceiling hung. Single or double sided.

## Benefits of our txframe individually-produced graphic displays:

- Made to measure bespoke sizes
- Visually striking, high quality printed fabric with your choice of image or logo
- Quick & simple to install with no mess or fuss
- Flame retardant to B1 category & PVC-free, odourless and Oeko-tx 100 certified
- Carbon neutral production
- Graphics are easily interchangeable
